# **Healthy Eating Policy**

## HEALTHY EATING POLICY

---

### **Introduction:**

As part of the Social, Personal and Health Education (SPHE) Programme, at St. Tola's N.S., we encourage the children to become more aware of the need for healthy food in their lunch boxes.

What people eat is known to be a key factor influencing health. Research indicates a strong link between diet and performance (e.g. a low sugar intake promotes concentration, lessens hyperactivity, protects teeth, and lessens the risk of diabetes. A low salt intake reduces the risk of heart disease in later life).

To promote healthy eating habits in our school, we introduced a healthy eating policy.

### **Aims**

1. To promote the personal development and well-being of the child.
2. To promote the health of the child and provide a foundation for healthy living in all its aspects.

### **Objectives**

1. To enable the child to appreciate the importance of good nutrition for growing and developing and staying healthy.
2. To enable the child to accept some personal responsibility for making wise food choices and adopting a healthy, balanced diet.

Lunch is an important meal for school-going children. It should provide one third of their recommended daily allowance of nutrients without being high in fat, sugar or salt. It should also provide dietary fibre (roughage).

The traditional packed lunch of milk and sandwiches is under attack from a range of convenience foods like crisps, sweets, biscuits, chocolate and soft drinks. Parents and teachers are concerned about this trend but some find it difficult to come up with popular healthy alternatives. We ask you to encourage a healthy lunch right from the start.

The following guide is designed to help you provide quick, appetising, and nutritious lunches for your children:

#### **Bread & Alternatives**

Bread or rolls, preferably wholemeal  
Rice – wholegrain  
Pasta – wholegrain  
Potato Salad  
Wholemeal Scones  
Bread sticks  
Crackers  
Pitta bread

#### **Savouries**

Lean Meat  
Chicken/Turkey  
Tinned Fish e.g. tuna/sardines  
Cheese  
Quiche  
Pizza

HEALTHY EATING POLICY

**Fruit & Vegetables**

Apples, Banana, Peach  
Mandarins, Orange segments,  
Fruit Salad, dried fruit,  
Plum, Pineapple cubes  
Grapes,  
Cucumber, Sweetcorn  
Tomato,  
Coleslaw.

**Drinks**

Milk  
Yoghurt  
Water

**A word about Milk**

Growing children should get approximately one pint of milk a day, or its equivalent as cheese, yoghurt or milk pudding. This ensures that they get enough calcium, which is essential for healthy bones and teeth. If a child does not drink a glass of milk at lunch, encourage him to have a carton of yoghurt or a small helping of cheese instead.

We recommend all children bring a bottle of water with them to school each day.

**We ask that children do not bring the following to school:**

Snacks known to be high in sugar, saturated fat, salt, additives and preservatives, including the following:

- Crisps (including crisp-style snacks)
- Fizzy drinks (including fizzy fruit-flavoured water, juices, etc)
- Sweets
- Chocolate biscuits/bars
- Cereal bars
- Chewing gum
- Fruit winders
- Popcorn.

So as to take a proactive approach to healthy lunches, teachers will from time to time reward children who can show a piece of fruit or other healthy foods in their lunchboxes. This initiative may be concreted in initiatives such as Food Dudes, etc.

**A very simple approach to healthy eating is to use the Food Pyramid:**

Fats, Sugar, Sweets etc.	Sparingly
Meat, Fish, Peas/Beans	2 portions per day
Milk, cheese, yoghurt	3+ portions per day
Fruit & Vegetables	4+ portions per day
Bread, Cereals & Potatoes	6+ portions per day

## HEALTHY EATING POLICY

---

### **Treat Day**

Friday will be our treat day. On this day, children can include **one small food item from the 'not allowed' list above.** Please note: popcorn is only allowed on Fridays.

### **Green Flag School**

Our green school motto is:

**'GET GREEN, KEEP GREEN, MAKE IT INTO A REGULAR ROUTINE!'**

With this in mind, children are also asked to:

- take home (in lunchbox) all uneaten food, silver paper, wrappings, containers and cartons
- take home fruit peelings for their own compost bins
- not bring in cans and glass – for safety reasons.

**N.B. Parents/guardians of any child with a medical condition which requires a special diet should contact the school.**

### **Implementation**

#### **(a) Roles and Responsibilities:**

Each child and teacher is responsible for ensuring that the Healthy Eating policy is followed in each class. There will be ongoing monitoring and evaluation of the plan.

#### **(b) Timeframe:**

This plan was reviewed in October 2021 and will be reviewed in October 2023.

#### **Review:**

This policy will be reviewed in October 2023.

#### **Ratification and Communication:**

The plan was ratified by the Board of Management on:

Chairperson Board of Management, Fr. S. Heaney

Principal, Eileen Smyth
